

The Art, Science + Business of Housing

INCLUDED IN YOUR SPACE

YOUR EXHIBIT SPACE RENTAL INCLUDES

- The Exhibit Hall in the ACC North is carpeted, and additional carpet or floor covering is not required. If you choose to use your own flooring or order additional carpet from the Service Contractor Freeman additional charges may be incurred for a protective layer over the carpet.
- Colored 8' high draped back wall and 3' high draped side rails (for in-line and perimeter booths)
- One 7" x 44" booth identification sign displaying your company name and booth number (for in-line and perimeter booths).
- Company and product listing in the official 2023 Show App and on the PCBC website. (Exhibitor responsible for entering/editing this information online. If your information is not submitted, it will not be included on the website or in the Show App.)
- Complimentary Exhibits Pass for your builder clients, giving you the opportunity to invite them to see you at the show — free of charge. (These are for builders who actively purchase and specify products. In order to receive a badge, builders are required to register online once they receive the invitation.)
- Online Exhibitor Service Kit
- Complimentary badges for all of your booth personnel based on your booth size (5 badges for every 100 sq. ft. of exhibit space. A registration fee will be charged for additional badges.)
- Future preferential booth selection based on a priority point system.

YOUR EXHIBIT SPACE RENTAL DOES NOT INCLUDE

- Electrical Services
- Freight Handling Labor
- Installation and Dismantle Labor
- Optional Booth Cleaning – Freeman Company provides aisle cleaning each night and once before the show opens. If you would like to purchase booth cleaning for your exhibit, see the “Booth Cleaning & Porter Services” order form, which will be provided in your service kit.
- Insurance – PCBC exhibitors are required to obtain liability insurance at their own expense. The policy must include an endorsement of additional insured which names: (1) PCBC The Premier Building Show and (2) California Building Industry Association, and their respective members, officers, directors, agents and employees. Failure to provide the required documentation shall result in the cancellation of the contract, loss of exhibit space, and a forfeiture of all payments. Please refer to the Official Rules & Regulations for more details.

Below are the Freeman 2022 San Francisco early bird rates* (for reference) for common booth items you may require beyond the price of your space. Once you become an exhibitor, you will have access to the Freeman Service Kit, where you'll be able to see pricing for other items and order online from Freeman.

**Note: These are online prices available until the 2022 Freeman discount deadline only. Prices increased after this deadline.*
