

PCBC® 2024 RULES AND REGULATIONS
June 19th & 20th, 2024, Anaheim Convention Center

The following rules and regulations (Rules and Regulations), the Exhibitor Service Kit, schedules, or any amendments to the same are integral to and incorporated by reference into the Exhibit Space Contract, (the "Contract").

All Exhibitors and their representatives in PCBC® 2024 are required to comply with the Rules and Regulations. [The California Building Industry Association](#), ("CBIA" or "Show Management") produces PCBC® 2024 ("Show"). It is understood and agreed by each Exhibitor that PCBC® 2024 is undertaken primarily for educational purposes for the residential and light commercial building industry through intensive program activities and product display. As used hereinafter, the term CBIA and Show Management means, the California Building Industry Association and its respective officers, directors, staff, agents, affiliates, representatives, and assigns, unless the context requires otherwise. The term "Exhibitor" means, collectively, (i) the company or person that applied for exhibit space rental and agreed to enter this contract upon acceptance by Show Management in the manner stated below and (ii) each of its officers, directors, shareholders, employees, contractors, agents, representatives and/or invitees, as applicable. To this end, each Exhibitor agrees as follows:

1. Exhibitors may display only products comprising materials, equipment, apparatus, and systems and other component products or services relevant to the construction and building industry or as otherwise permitted, at Show Management's sole discretion. Qualified Exhibitors must either be the manufacturer, or a licensed dealer, distributor, or representative of the product or service displayed. Each contracted Exhibitor is entitled to one listing in official Show material. That listing will be either the Exhibitor of record or a legal D.B.A. (Doing Business As) submitted by the Exhibitor signing the Online Contract. No entity other than the contracted Exhibitor or a legal D.B.A. will be granted a listing in official Show material. The Exhibitor of record may not feature names or advertisements of non-exhibiting manufacturers, distributors, or agents. Show Management will not be liable for any errors or omissions in the PCBC® 2024's Exhibitor's Directory, attendee lists, websites or in any promotional materials.
2. Notwithstanding anything to the contrary, Show Management reserves the absolute right to reject or disapprove any request and the right to exhibit or participate in the PCBC® 2024 Show at any time, for any reason Show Management deems appropriate, including without limitations the promoting of any event publication, products or services that could compete or conflict directly or indirectly with CBIA, PCBC®, or their purpose, publications or events, regardless of whether Exhibitor signed this agreement or not.
3. Show Management reserves the right:
 - a. To refuse to permit an Exhibitor which, in its sole opinion, violates this Contract to participate in one or more future PCBC Exposition(s) by reason thereof.
 - b. To reject, remove or prohibit any exhibit in whole or in part, or any Exhibitor or its representatives if in the opinion of Show Management, the exhibit or the activities of the Exhibitor or its representatives violates the Contract, the Rules or Regulations, Exhibitor Service Kit or are detrimental to the aims, goals and purposes of the Show. Show Management prohibits abusive conduct and inappropriate behavior toward Show Management, attendees, guests, exhibitors, or any affiliated representative of the Show.
 - c. To close an exhibit booth or eject any Exhibitor or its representatives from the Show for violation of the Rules and Regulations or for any other stated reasons. In this event, the Exhibitor will have forfeited all exhibit space rental fees, registration fees or any other fees, and therefore not be entitled to any refunds, and will remain liable for any damages due to its actions. Whenever possible, the Exhibitor will be given notification and reasonable time to correct the problem.
4. Exhibit Booth Space ("exhibit" or "booth") assignments will be determined using a priority point system based on square footage, consecutive years of history of exhibiting in prior PCBC® Shows, and timeliness of submitting space requests. Exhibitors will receive 10 points for each consecutive year of exhibiting since 1979 and 1 point for every 100 square feet of exhibit space purchased in the current Show. Should an Exhibitor fail to participate in any show year, the accrued points would be forfeited and, upon returning, the Exhibitor would begin accruing points as a new exhibitor. In the event of a tie, Exhibitors who participate in advertising and sponsorship opportunities, in addition to exhibit space, will be given first consideration. Priority points are neither property nor license, and cannot be transferred, sold, or assigned. Due to the number of companies exhibiting similar or related product lines or services, Show Management cannot guarantee a company exhibiting similar products or a company's competitor will not be in a nearby or adjoining exhibit space. However, reasonable efforts will be made to give all Exhibitors satisfactory exhibit space assignments.
5. PCBC® 2024 Show Management reserves the right to change the floor plan, without prior notice; if in its sole judgment and absolute discretion it deems it necessary to do so to provide a more satisfactory, attractive, and successful conference and exposition.

ADA Compliance

The Exhibitor shall have the sole responsibility for ensuring that its exhibit space is in full compliance with the Americans with Disabilities Act and any regulations under that Act. The Exhibitor will ensure the accessibility of its exhibit space, and agrees to hold harmless, defend and indemnify CBIA and its directors, officers, employees, agents and representatives against any claims, damages, loss, or exposure, including reasonable attorney's fees and costs, arising out of or related to any ADA violation or alleged ADA violation. The Convention Center is ADA compliant. In accordance with the ADA, the Convention Center is responsible for permanent premises access accommodations, such as, but not limited to, wheelchair lifts, elevator standards, door width standards and restroom accessibility. It is the exhibitor's responsibility to provide non-permanent accessibility requirements, such as, but not limited to; hearing-assisted or visually assisted devices, and temporary seating accessibility and/or interpreters.

Assignment

The Exhibitor shall not sell, assign, transfer, nor convey the Contract or assign, sublet, or permit its exhibit space, or any part thereof, to be used by another, or allow any use of the premises other than those specified in its accepted application. Any attempted sale, assignment, transfer, conveyance of the exhibit space, or any part thereof in violation of this provision will be void at the option of Show Management, entitling Show Management to terminate the Contract and making Exhibitor liable for all damages incurred by California Building Industry Association.

Binding on Successors and Assigns: The Contract and the Rules and Regulations will be binding upon and inure to the benefit of the respective successors, assigns, and personal representatives of the Parties.

Badges

Official PCBC® 2024 badges must be worn by all exhibitor booth personnel on Show premises; admittance to the exhibit area will require a badge at all times. Personnel badges can be obtained by registering online via the PCBC® website. The exhibitor online badge request is for booth personnel only and is not to be used for registering attendees. **Exhibitors will be allotted five (5) booth personnel exhibitor badges for every 100 sq. ft. of purchased booth space.**

Booth Activity

Speakers and other sound devices should be positioned to direct sound into the booth rather than into the aisle. Flashing or neon lighted signs or electronic displays or devices must be constructed or controlled in a manner that will not interfere with or constitute a nuisance to other Exhibitors or attendees. Show Management reserves the right in its sole judgment to prohibit or close any display or activity because of noise, odors, or other disturbing features, or which may be offensive to other exhibitors or attendees. Furthermore, this discretionary right of Show Management applies to any demonstration or activity by any exhibitor which results in obstruction of booth line-of-sight and/or access to nearby exhibitor's booth by either attendee/buyers or exhibitors.

Booth Equipment and Height Requirements

The following display provisions are designed to ensure that each Exhibitor, regardless of size, can present their product or services in the most effective manner possible. Show Management will obtain fire marshal approval upon receipt of the Booth Guideline Variation Form, and any supplemental documents requested, provided in the Exhibitor Service Kit. (Refer to service kit for complete samples for booths below.)

Booth Provisions

Exhibitors must limit their activities and confine their displays to the Exhibitor's exhibit space. Distribution of promotional items or samples/souvenirs, mascots, literature and/or any other form of advertising is forbidden in the corridors, lobbies, hotels, and convention facility or anywhere outside of the exhibitor's purchased exhibit space. Each Exhibitor's booth must be designed and constructed in a manner that provides an adequate area in the exhibit space to accommodate attendees. Any demonstration or activity which results in excessive obstruction of aisles, prevents ready access to a nearby Exhibitor's booth, or creates a disturbance or safety hazard deemed by Show Management to cause a disruption or potential harm, shall be suspended for any periods specified by Show Management. Any Exhibitor utilizing a celebrity figure in their booth for a promotional purpose must notify Show Management prior to the Show of the dates and times of the celebrity's scheduled appearances. If Show Management, at its sole discretion, deems additional security personnel or measures are necessary, they will be implemented immediately at the Exhibitor's own expense. The Exhibitor's representatives wearing distinctive costumes or carrying banners or signs separately, or as part of their apparel, must remain within the confines of the Exhibitor's exhibit space.

Booth Restrictions

All booth construction material must conform to standard safety practices. No combustible decorations, such as crepe or tissue paper, cardboard, or corrugated paper, may be used at any time. All packaging containers and materials are to be removed from the floor and may not be stored under tables or behind booths. Booths are subject to inspection and approval for safety by the Fire Department of the City of Anaheim. Further, **Exhibitor must comply with the Rules and Regulations covering the use of the Anaheim Convention Center** as outlined herein and in the Exhibitor Manual. All display materials must be flame retardant according to California Code of Regulation Title 19 Section 3.08. A fire retardancy certificate of the display materials and the exhibitor booth construction must be posted or readily available within the exhibit. If smoke detectors are required for exhibit enclosures or for multi-level exhibit booths, or if the Fire Marshal deems necessary, special fire watch coverage will be in effect and billable when the exhibit or Show is closed for business.

Exhibitor shall also adhere to and be bound by:

- (a) All applicable fire, utility and building codes and regulations
- (b) **Any rules or regulations of the facility where the Show is held (visitanaheim.org)**
- (c) The terms of all leases and agreements between CBIA and the managers or owners of Anaheim Convention Center and
- (d) The terms of any and all leases and agreements between CBIA and any other party relating to PCBC® 2024.

The Exhibitor shall not, nor shall the Exhibitor permit others to do anything to the booth or do anything in the facility where the Show is held, or bring anything into said facility, which would cause a difference in conditions from those previously approved by Show Management, its insurance carriers, or the owners or managers of said facility, which will in any way increase premiums payable by any of such parties for fire, casualty, liability or other insurance on the facility or any property therein. The exhibitor agrees to pay, on demand by any such parties, any increase in premium cost or surcharge resulting from a violation of this Section.

Children Policy

Children under the age of 16 are not permitted on the Exhibit Floor or in any educational session. Infants may be carried by backpack or sling. No strollers will be allowed on the Exhibit Floor. Baggage check will be available to store strollers at a nominal fee. No one under 16 years of age will be allowed into the Exhibit Area during the move-in and move-out.

Combustibles

Literature on display shall be limited to reasonable quantities (1 day's supply). Storage of empty cartons, crates or containers in the booth or exhibit area is not permitted. Storage of any kind is prohibited behind the back drapes or booth walls, or inside booth areas. All cartons, crates, containers, packing materials, etc., which are NECESSARY FOR REPACKING shall be labeled with "EMPTY" stickers and REMOVED FROM THE EXHIBIT FLOOR.

Damage to Property

The Exhibitor is liable for any damage caused to building floors, walls, or columns, or to standard booth equipment, its own property or to the property of others. The Exhibitor may not apply paint, lacquer, adhesives, stickers, or other coating to building columns and floors or to standard booth equipment. In the event damage occurs to an exhibitor's booth by another exhibitor, the involved parties are responsible for resolving the dispute.

Dismantling

The exhibitor's booth must not be dismantled or removed before the close of the Show on Thursday, June 20, 2024, and must remain staffed during all Show hours. Any Exhibitor that breaks down its booth before the official close of the Show will forfeit all priority points and will jeopardize its ability to book booth space in future PCBC® Shows.

All booths must be dismantled and packed for removal by 10:00 a.m. Saturday, June 22, 2024. The Exhibitor agrees that in the event its booth remains un-staffed for a period of time which Show Management, in its sole discretion, constitutes as detrimental to the Show, or if the Exhibitor's booth is not dismantled and packed for removal by 10:00 a.m. Saturday, June 22, 2024, Show Management, in its sole discretion, may arrange for the staffing or dismantling and packing for removal of the

said booth. The Exhibitor shall reimburse Show Management and/or Official Service Contractor for all costs and expenses incurred in the staffing or dismantling, packing and removal of the booth. If either event occurs, it will be deemed a material breach of the Rules and Regulations and the Contract.

Dispute Resolution

The Exhibitor and CBIA agree that all disputes and matters whatsoever arising under, in connection with or incident to the Contract shall be interpreted in accordance with the laws of the State of California, in an action brought in any court of competent jurisdiction in the City and County of San Francisco, California, USA to the exclusion of the courts of any other state, territory, or country. In connection with any litigation, the prevailing party will be entitled to recover reasonable attorney's fees and costs.

Drones

The use of aerial drones in the convention center is prohibited.

Entire Agreement

The Contract, Rules and Regulations, Online Exhibitor Service Kit and any amendments and schedules referred to herein constitute the complete and exclusive statement of the terms of the agreement between CBIA and the Exhibitor pertaining to the Show. All waivers of any provision of the Contract or the Rules and Regulations must be made in writing and signed by Show Management. If any portion of the Contract will be determined to be invalid, then that portion will be considered severed from the Contract and all remaining portions will remain in full force and effect. Paragraph headings have been inserted for convenience or reference only, and are in no way intended to describe, interpret, define, or limit the scope or intent of any part of this Agreement. All rights and privileges granted to the Exhibitor under the Contract and the Rules and Regulations any subsequent amendments are subject to and subordinate to the master lease between CBIA and the Anaheim Convention Center. In the event of any conflict, inconsistency, or incongruity between any provision of the Contract and any provision of the Rules and Regulations or the Exhibitor Service Kit, the provisions of the Contract shall govern and control.

Exhibit Crate Storage

Since most crates and cartons are constructed of non-flame-resistant wood and most packing materials are not flame-retardant, storage of these items is not permitted within Anaheim Convention Center. Limited storage of required Show decorator equipment only is allowed and subject to approval on a case-by-case basis by facility Fire Marshall.

Exhibitor Appointed Contractors

Exhibitors may use an Exhibitor Appointed Contractors ("EAC") as set forth herein and the Online Exhibit Services Kit. Exhibitors are required to complete the "Request to Use an Exhibitor-Appointed Contractor" Request Form only if using a non-official contractor, i.e. not one of the contractors listed in the Online Exhibitor Service Kit as "Official Service Contractors." As an agent for the Exhibitor, all Exhibitor appointees must agree to adhere to and will be bound by the Rules and Regulations as stated herein and in the Online Exhibitor Service Kit. Exhibitors will be responsible for ensuring that their EAC has insurance coverage as noted in the Rules and Regulations and will be liable for the conduct of everyone they appoint or perform services pursuant to such appointments. All EACs must provide proof of insurance to the Official Show Decorator. (See section under Insurance for additional details). More information on EACs will be available in the Exhibitor Hub.

Exhibitor Compliance

All matters, or questions, not specifically covered by the Rules & Regulations shall be subject solely to the decision of Show Management. Show Management reserves the right to make changes, amendments and additions to the Rules and Regulations and in the Online Exhibitor Service Kit at any time, without prior notice. All changes, amendments and additions so made shall be binding on the Exhibitor with the provision that all Exhibitors will be advised of any such changes.

Further, the Exhibitor agrees that Show Management will have full power in the matter of interpretation, amendment and enforcement of all Rules and Regulations, and in all instances Show Management's rulings will be final.

Fire Regulations and Compliance with Laws & Regulations

- Agreement to these PCBC Rules & Regulations includes agreement to the Fire Department Regulations (accessible to all PCBC exhibitors via Freeman Online Service Kit)
- All decorations, drapes, signs, banners, acoustical materials, hay, straw, moss, split bamboo, plastic, cloth, or any other decorative materials, shall be flame retarded to the satisfaction of the Fire Department and the State Fire Marshal's requirements.
- Exhibitor is responsible for being knowledgeable of and in compliance with all applicable federal, state, and local laws and regulations and all rules and regulations of the Facility while participating in the Exposition and any activities in connection therewith, including, but not limited to, privacy and confidentiality requirements. Exposition Management has no responsibility for the Exhibitor's compliance with applicable laws, rules and regulations; compliance is mandatory and is the sole responsibility of the Exhibitor.

Food and Beverage Service

All arrangements for food and beverage service must be made with the caterer at Anaheim Convention Center. Popcorn machines or the dispensing of popcorn is prohibited on the exhibit floor. Food and beverage product exhibitors who are germane to events and are lawful manufacturers or distributors of food and/or beverage products may distribute samples. Samples must be distributed from those specific exhibitor booth locations only. Samples may not exceed two (2) ounces by weight of a solid product, and four (4) ounces by volume of a non-alcoholic beverage product. All alcoholic beverage sampling must be serviced by the Convention Center's Food and Beverage Department. Approval for distribution of samples must be obtained prior to an event. Please contact the Catering Department contacts provided in the Exhibitor Service Kit.

Force Majeure

If the Show is terminated for any reason beyond the reasonable control of Show Management, including without limitation acts of God, war, strikes, labor disputes, accidents, government requisitions, restrictions or regulations on travel, facility unavailability, lack of commodities or supplies, inability to secure sufficient labor, civil disturbance, terrorism or threats of terrorism, disruption to transportation, disaster, fire, earthquakes, epidemic, or any other comparable casualty or condition, Show Management is unable to fulfill its obligations under the Contract, the parties may terminate the Contract without liability, and Show Management may retain the earned portion of the rental fee required to recompense it for expenses and commitments incurred up to the time of terminating the event. Any remaining unearned rental fees will be returned to the Exhibitor. Additionally, if any part of the convention facility is damaged or if circumstances beyond Show Management's reasonable control make it impossible or impractical for Show Management to permit an Exhibitor to occupy or continue to occupy its assigned exhibit space location

during any part of or the entire Show, the Exhibitor will only be charged a pro rata exhibit space rental fee for the period that the exhibit space was or could have been occupied by the Exhibitor, minus a share of costs, expenses and commitments required to recompense Show Management up to the time of terminating the Show, in full satisfaction of all liabilities of Show Management to Exhibitor. Show Management shall retain all other fees previously paid by Exhibitor. In no event will Show Management, the City or Anaheim or Orange County the Anaheim Convention Center, or their respective owners, directors, officers, employees, agents, and representatives be liable for any consequential, indirect, or incidental damages of any nature or for any reason whatsoever. Nor shall any such interruption, diminution, delay or discontinuance be deemed an eviction or disturbance of exhibitor's use of possession of exhibit space or any part thereof; nor shall any such interruption, diminution, delay or discontinuance relieve exhibitor from full performance of exhibitor's obligations under this agreement.

Notwithstanding the foregoing, Show Management reserves the right to cancel, re-name or re-locate the Show or change the dates on which it is held. If Show Management changes the name of the Show, re-locates the Show to another event facility within the same city, or changes the dates for the Show to dates that are not more than 30 days earlier or 30 days later than the dates on which the Show originally was scheduled to be held, no refund will be due to Exhibitor, but Show Management shall assign to Exhibitor, in lieu of the original exhibit space, such other exhibit space as Show Management deems appropriate and Exhibitor agrees to use such space under the terms of this contract. If Show Management elects to cancel the Show other than for a reason previously described in this paragraph, Show Management shall refund to each Exhibitor its entire exhibit space rental payment previously paid, in full satisfaction of all liabilities of Show Management to Exhibitor.

In the case of a force majeure event, including pandemics/epidemics, which make it impossible or illegal for PCBC to hold its event, full refunds will be provided.

Hand Carried Items

A "Hand Carried" item is defined as what one person can carry in one trip without a hand-truck or dolly. During move-in and move-out days, a designated area will be assigned for hand carried items to be brought in during the specific times provided in the Online Exhibitor Service Kit. Security Guards will monitor the hand-carried items. Those not falling into the description outlined above will be required to return to the marshaling yard and proceed through the Official Service Contractor provided move-in/move-out services.

Hotel Rooms & Hospitality Suites

Requests for hotel rooms at official PCBC® 2024 hotels should be made through the Official Housing Bureau online via the PCBC® website. These hotels have agreed to provide protected room blocks at reduced convention rates. The Exhibitor agrees its hospitality suites, if any, shall not be open, nor social functions scheduled, during regularly scheduled hours of PCBC® 2024 meetings, exhibits or other official functions.

Indemnification

The EXHIBITOR will indemnify, defend (with legal counsel satisfactory to Show Management), and hold harmless CBIA, PCBC®, its sponsors, the City of Anaheim, Anaheim Convention Center, and their respective owners, directors, officers, employees, members, agents and representatives, against all claims, actions, demands or liability of whatsoever kind and nature, including but not limited to judgments, interest, reasonable attorneys' fees, expert witness fees, and all other costs and charges arising out of Exhibitor's breach of the Contract or the Rules and Regulations, claims of property or personal injury caused by or attributed in part or in whole to any action or failure to act whether by negligence or otherwise, on the part of the EXHIBITOR or any of its officers, employees, agents, or representatives, excluding liability caused by the sole negligence or willful misconduct of California Building Industry Association, its sponsors and their respective owners, directors, officers, employees, representatives and agents.

Indemnification for Use of Copyright Material

ASCAP, BMI, dramatist fees, copyright license fees, patent fees, or any other fee or royalty attached to copyrighted or proprietary material are the contracted exhibitor's responsibility. Please ensure that the appropriate reporting and payment of fees cover all presentations associated with an event. The Corporation is not responsible for any violation or infringement of the rights of any owner or presented material. The Exhibitor agrees to indemnify, defend and hold harmless California Building Industry Association, the City of Anaheim, Anaheim Convention Center and their respective directors, officers, employees, agents, and representatives from and against any claim of liability and any incident or resulting loss, cost or damage, including but not limited to, reasonable attorney and expert witness fees, and all other associated costs of lawsuits, for failure or alleged failure to obtain these licenses or consents or for infringements of copyright, patent, or the unauthorized use of a registered trademark or service mark or other violations of the property or proprietary rights, or the rights of privacy or publicity of any third party.

Installation & Set-Up

To conform to union contract rules and regulations, it will be necessary for the assembly, dismantling, and packing and unpacking of booth displays to be done by qualified union personnel from the local Display Union. The Anaheim Convention Center has entered into a Jurisdiction agreement with its Union Labor Partners; Decorators, Teamsters & Electrical. The Teamsters perform specific work in certain areas of the Convention Center that are exhibit or production in nature. This includes the activities of move-in, installation, dismantling and move-out of trade shows, conventions, exhibits, corporate events and theatrical events. Please note that this jurisdiction does not encompass work ordinarily performed by the Anaheim Convention Center Corporation employees or the Center's third-party contractors. It also does not apply to work performed by the licensee's employees under their respective payroll who are specifically engaged to perform this work on a continuing basis for their organization. Please contact your Event Manager for more details.

Members of this union have jurisdiction over all setup and dismantling of booth displays including signage and carpet installation. This does not apply to the unpacking and placement of exhibitor merchandise (items produced by you for sale, scheduled for display in your booth, or literature describing it). If your exhibit preparation, installation, or dismantling requires more than 1 hour, you must use union personnel supplied by the Official Decorating Contractor. As an exhibitor, you will be pleased to know that when union labor is required, you may provide your company personnel to work along with a union installer in Southern California on a one-to-one basis.

The Official Service Contractor will control all in-bound and out-bound traffic in the loading and unloading areas, in the aisles, or in any other freight patterns. The loading and unloading of all trucks or trailers of common carriers including van lines and individual company vehicles, as well as the handling of empty crates, cartons and containers and the operation of forklift trucks, is the responsibility of the Local Teamsters Union.

The delivery of exhibit materials, crated and uncrated, will be according to the target move-in schedule in the Online Exhibitor Service Kit. Materials arriving anytime other than the assigned target move-in time will be required to wait until all conforming deliveries are made. Exhibitors with late arrivals may be charged a late fee and will be responsible for all waiting costs incurred.

Set-up must be complete, with all crates removed by 3:00 p.m., Tuesday, June 18, 2024, so the aisles will be clear to lay aisle carpet. Exhibit space not claimed and occupied by 3:00 p.m. Tuesday, June 18, 2024, may be canceled or reassigned by Show Management without refunding any of the exhibit space rental fees to the Exhibitor. If the exhibit materials are on hand, Show Management reserves the right, at the Exhibitor's expense to:

- a) Assign labor to set up an Exhibitor's booth, if the booth is not erected by 3:00 p.m., Tuesday, June 18, 2024, or
- b) Order the removal of all of an Exhibitor's booth materials and crates, if the booth is not erected by 3:00 p.m., Tuesday, June 18, 2024.

(*Special set-up times apply for booths identified as Last in First Out. These are booths located in front of the loading dock area. See the Targeted Zone Map in the Exhibitor Service Kit for specific instructions.)

Insurance

The Exhibitor, at its own expense, is required to secure and maintain through the duration of the Show, including move-in, show days and move-out days. All such insurance shall be primary of any other valid and collectible insurance of Exhibitor and shall be written on an occurrence basis. Claims made policies are not acceptable and do not constitute compliance with Exhibitor's obligations under this Section. The following insurance coverage is required:

- a. Worker's Compensation Insurance to the statutory limits
- b. Employer's Liability Insurance with limits not less than \$1,000,000 each accident
- c. Comprehensive General Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for bodily injury to any one person in any one occurrence, \$2,000,000 with respect to injuries to more than one person in any occurrence, and \$1,000,000 with respect to damage of property and coverage for, contractual, copyright infringement, operation of mobile equipment, products and liquor liability.
- d. Automobile Liability Insurance coverage for owned, non-owned and hired vehicles, including loading and unloading operations with minimum limits of \$1,000,000 per occurrence for \$1,000,000 combined single limit.
- e. Above required policies must name as "Additional Insured": (1) PCBC® 2024 and (2) CBIA, and their respective members, officers, directors, agents, and employees (a & b excluded) and (3) Anaheim Convention Center
- f. Purchase insurance coverage in an amount sufficient to protect Exhibitor and your property against loss, damage, theft or injury of any nature, and any claims arising from any activities conducted through the duration of the Show, including move-in, show days and move-out days.
- g. Exhibitors agree to maintain such insurance that will fully protect, indemnify, hold harmless and defend PCBC®, CBIA, and their respective members, officers, directors, agents and employees and Anaheim Convention Center from any and all claims of any nature whatsoever, including attorney's fees, which may arise due to the actions of negligence of the exhibiting firm or their employees or members, contractors, subcontractors or representatives, including claims under the Worker's Compensation Act, and for personal injury, including death which may arise in connection with installation, operation or dismantling of the Exhibitor's display
- h. The above required policies may not be canceled without 30 days advance written notice to PCBC® 2024 Exhibit Management.

The insurance certificate and the additional insured endorsement must be submitted to PCBC not less than 30 days prior to arriving to Anaheim Convention Center. An "A Rated" insurance carrier authorized to transact business in the State of California must issue the insurance coverage required. Failure to provide the satisfactory Certificate of Insurance and additional insured endorsement prior to arriving to Anaheim Convention Center shall result in the cancellation of the Contract, loss of Exhibitor's booth space and forfeiture of all payments.

The Exhibitor accepts full and complete responsibility for the performance of all obligations under any agreement permitting the use of the music, including but not limited to, all obligations to report data and to pay royalty fees.

Obstructions

Nothing shall be hung from or affixed to any sprinkler heads or piping. All exit doors shall be always in operable condition. Exit signs shall not be obstructed in any manner. All entrances, exits, aisles, stairways, lobbies and passageways, fire and life safety devices shall be always unobstructed. Booth construction shall be substantial and fixed in position in its specified area for the duration of the Show. Easels, signs, etc., shall not be placed beyond booth area or into aisles.

Official Service Contractor

As required by the City of Anaheim & Anaheim Convention Center, Show Management has agreements with contractors to provide various services to the Exhibitors, referred to as "Official Service Contractors." The Official Service Contractors will provide all Show services. Exhibitors shall provide only the material and equipment that they own, and which is to be used in their booth space. No exceptions to the use of Official Service Contractors will be granted.

Payment/Cancellation Policy

1. Upon submission of the online contract, a 50% non-refundable deposit of total booth fees is due. **The 50% deposit must be received within two (2) weeks of the contract submission date.**
 - **The remaining 50% will be due by January 12, 2024.** If the balance is not received by this date, the Exhibitor will be considered in breach of the contract, and no return of rental fees will be made. After January 12, 2024, all balances are due and payable in full.
2. For Booth Contracts received on or after January 12, 2024, 100% of the booth space total will be due within (2) weeks.
3. Any contract/application submitted within 30 days of the show must be submitted with full payment by credit card.
4. Cancellation Policy:
 - a. If notification of cancellation of exhibit space is received by January 12, 2024, the Exhibitor will be refunded all payments minus the 50% non-refundable deposit of total booth fees.
 - b. If notification of cancellation of all exhibit space is received after January 12, 2024, no refunds will be made, and the Exhibitor will be liable for one hundred percent (100%) of the exhibit space rental fee, even if exhibit space is resold.
 - c. Because these dates are related to the Show date and not to the date of the Contract, these dates shall apply regardless of the date on which this Contract is executed.
 - d. The Exhibitor must provide written notification of cancellation of exhibit space to Show Management.
 - e. The Exhibitor agrees that should it cancel all of its exhibit space for any reason, the Cancellation fees as stated in this schedule shall be retained by or paid to CBIA as reasonable liquidated damages for the injuries Show Management will suffer as a result of Exhibitor's cancellation, and not a penalty. Exhibitor understands and agrees that the withdrawal of the exhibit space reserved from availability at a time when other parties would be interested in applying for exhibit space will cause Show Management to sustain damages. In this situation, Show Management's damages will be substantial, but they will not be capable of determination with mathematical precision. Therefore, the provisions for liquidated and agreed upon damages have been incorporated into this Agreement as a valid pre-estimate of these damages. The date of cancellation shall be the date Show Management receives the notice.
 - f. Show Management assumes no responsibility for having included the name of the cancelled Exhibitor or description of its products in the Show directory, brochures, news releases or other material relating to the Show. The use of complimentary exhibit personnel badges is forfeited upon cancellation of exhibit space. Show Management reserves the right to terminate the Contract immediately, and to withhold from the Exhibitor possession of exhibit space, and the Exhibitor shall be responsible for the total exhibit space rental fee, which shall be retained by or paid to CBIA, as reasonable liquidated damages and not as a penalty, if the Exhibitor (a) fails to pay all exhibit space rental fees in accordance with the schedule set forth herein, or (b) fails to perform any material terms or conditions of the Contract or refuses to abide by the Rules and Regulations.
 - g. Furthermore, Show Management reserves the right to refuse Exhibitor permission to move in and set up an exhibit if Exhibitor is in arrears of any payment due to Show Management. Show Management is expressly authorized (but has no obligation) to occupy or dispose of any space vacated or made available by reason of action taken under this paragraph in such manner as it may deem best, and without releasing Exhibitor from any liability hereunder. No refunds will be made to Exhibitors whose Contracts are terminated by Show Management as provided elsewhere in the Rules and Regulations.

Photographs, Publicity Material, Radio and Television and Print Media

California Building Industry Association reserves the sole right to use any photographs, recordings, electronic images or publicity material received by or obtained by Show Management in the course of the Show, for whatever use deemed proper by Show Management. CBIA has the exclusive right to include photographic, video, and other visual portrayals of attendees, any Exhibitors and their booth including its contents, in any pictorial medium of any nature whatsoever for the purpose of trade, advertising, sales, publicity and otherwise, without compensation to the Exhibitor, and all rights titled and interest bearing (including all worldwide copyrights therein) will be CBIA's sole property free of any claims of the Exhibitor or any persons deriving any rights or interest from the Exhibitor.

Due to the sensitive nature of new products and unique booth displays at the Exposition, photography and/or video recording of any booths by any attendee/Exhibitor personnel other than the official photographer is discouraged without permission from the exhibitor.

Portable Spotlights

All clamp-on types of portable spotlights shall be protected from metal-to-metal contact by having electrical insulating pads or wrap permanently attached to the lamp holder clamp. Ceramic-porcelain or molded composition type neck-shell construction is the only type approved for use in Anaheim Convention facility. On/off switches are usually located in the neck. Where any spotlight or lamp is subject to physical damage, exposure to dampness, it shall be equipped with a substantial guard attached to the lamp holder or the handle.

Flexible cord extensions may only be used for portable lamps/appliances which are of allowable amperage for the size and type of three (3) conductor cords connecting to and for the utilization of any equipment. The third conductor is used for equipment grounding purposes.

Publication Displays

Publication space will be strictly limited to the display of approved trade publications, as deemed by Show Management, and is not to be staffed by any publication personnel. Materials must be contained within the space provided. No embellishment of the area provided may be made i.e., photos, special signage. One complimentary company identification sign will be provided and one exhibit floor registration.

Reduction of Exhibit Space

Reduction of Exhibitor's exhibit space is treated similar to cancellation of exhibit space. Reduction requests received in writing by January 12, 2024, will be refunded appropriate payments minus a fifty (50) percent surcharge on the difference between the original contracted square footage and the revised square footage. No refunds will be made for square footage reductions or cancellations of exhibit space after January 6, 2024, even if exhibit space is resold. The Exhibitor agrees that it is responsible for the total exhibit space rental fee for the originally contracted and assigned exhibit space, which shall be retained or paid to PCBC® 2024 as reasonable liquidated damages, and not as penalty, according to this schedule.

Relationship of the Parties

The contract shall not constitute nor be considered to create a partnership, employer-employee relationship, joint venture or agency between PCBC® 2024, California Building Industry Association and the Exhibitor.

Security and Safety

Show Management will provide the services of a reputable security agency within the exhibit area during the period of move-in, show time, and move-out for general safety and security purposes only. The security services provided by Show Management are not intended, nor are they to be interpreted by the Exhibitor in any form whatsoever, as a guarantee by Show Management or the Anaheim Convention Center against any loss, theft or damage to the Exhibitor or any of Exhibitor's property. All items brought into Anaheim Convention Center are done so at the Exhibitor's own risk. - Any booth designed with a second level. All second story plans must be safety certified by a licensed professional engineer before floor plans are submitted.
- Any booth not meeting the standard requirements as stated in these Rules & Regulations.

Written approval must be received from the Fire Marshal at least 60 days prior to the Show. For all booths, the burden of proof rests with the Exhibitor to demonstrate the structural integrity of the booth and its components.
